    ...

I'd assume we would be starting from scratch

I did tell FHWA but I'm not assuming they passed on specifics as my main question was who would be the best people to speak with regarding ROW issues.

Tim - I'd be interested in taking part in the discussion. When you talked to FHWA, did you let them know, or does ME DOT know which project we are reviewing in this context?

Mike

The email below identifies the contacts at ME DOT for any discussion we wish to have regarding the siting of infrastructure within roadway ROWs.

Please let me know if you want me to set up or participate in the discussions with ME DOT.
